

Dear fellow members of the USI,

***Greetings from the BOE-USI***

It is that time of the year again – the annual USICON; this time at Mumbai.

2017 for the Board of Education starts with the pre-registered lectures at the USICON.

Every year, the BOE-USI, carefully chooses an important topic of urological practice, to be delivered by renowned speakers from both within the country or outside. This year is no different.

This year's selection of topics is as follows

19th January 2017, time 7:30 am to 9 am

Speaker Prof. Tony Mundy

Topic: BXO- in its entirety.

Diagnosis and extent - early/late; clinical and histology

Management - medical and surgical; pediatric and adult age groups

Implications - on the outcomes

Alternatives to the present approach in urethroplasty

Is all that we see - all BXO?

What will not work for BXO

Duration of the lecture 1 hour, Q&A session 30 minutes.

Registration Fee Rs. 750

Last date for registration: December 25<sup>th</sup> 2016.

Please remember that the conference venue is in Navi Mumbai, and it can take time to reach the conference centre. The advantage is that the talks are scheduled for 7:30 am, when travel to the venue should be relatively traffic-free. We would not want you to miss the important parts of the lecture by being late.

Please download the form, fill in properly, and send it along with the online payment receipt to Mr. Navneet Arora at [centraloffice.usi@gmail.com](mailto:centraloffice.usi@gmail.com).

I hope you make the best of this opportunity.

With warm regards,

**Dr. Venkatesh Krishnamoorthy**

**Chairman, BOE – USI**

**Chairman, NU Hospitals**
