

Nomination for the UAA Young Leader's Workshop at Kyoto, Japan, on 23-25 April-2010

Apply for USI Nomination before 15-November-2009

The Asian School of Urology (ASU), Urological Association of Asia (UAA) in conjunction with the 20th Anniversary of Urological Association of Asia is organizing the 'Young Leader's Workshop' in Kyoto, Japan from 23-25 April-2010. The Local Organizing Committee (LOC), Kyoto, Japan will sponsor two participants from each member country of the UAA to attend the workshop. They will provide complimentary:

- Hotel Accommodation from 22-April-2010 (Check-In) to 26-April-2010 (Check-out) (4 Nights).
- Economy airfare via the most direct route to Kyoto, Japan and airport transportation fee in Japan.

Applicants who wish to be nominated by the Urological Society of India:

1. Must be Urologists (Consultant Grade and above).
2. 45 years of age or below.
3. Full curriculum vitae must be submitted with photograph.
4. Preferably fluent in spoken English.
5. Must be full members of the Urological Society of India.
6. Must submit their CV with Passport Sized Photographs to the Honorary Secretary, Urological Society of India before 15-Nov-2009.

The successful candidates have to pay for the registration fee of US\$150.00 to the LOC. This is a good opportunity at this meeting for members to learn and interact and I would highly encourage their participation. The closing date for registration and nomination with the UAA is **30-November- 2009**. Please email the Registration Form A together with credit card details and Form B to Ms Angie See, UAA Executive Secretary, by email to angie.see.b.g@sgh.com.sg on or before 30- November-2009.

Young Leader's Workshop

23rd to 25th April 2010, Kyoto, Japan
Kyoto University, Kyoto, Japan

FIRST ANNOUNCEMENT

Organised by :

...Better Urology for Asia

For more information on the workshop, please contact:
Professor Osamu Ogawa
Organizing Chairman &
Deputy Director, Asian School of Urology
Urological Association of Asia
Email : aqui@kuhp.kyoto-u.ac.jp

What is it?

The above workshop, organized by Asian School of Urology, an educational branch of Urological Association of Asia (UAA) is aimed at future Asian national leaders in the field of Urology. The workshop invites senior urologists representing their countries to Kyoto, Japan. This workshop is also organized in conjunction with the 20th Anniversary Celebration of Urological Association of Asia.

The participants of the workshop will adhere to international standard of urology and present status of Urology in their countries. Hopefully, this workshop would help to form an international network with the objective of advancing Urology in Asia.

Who should attend?

It is primarily aimed at urologists (Grade Consultant and Above) and the age should be 45 years or younger and who is highly recommended by the National Associations as a talented and motivated candidate.

Tentative Program

23 rd April	Welcome Reception
24 th / 25 th April	Group Discussion
	Conference 1 : Problems in Asian Urology
	Conference 2 : International Clinical Trials in Asia (Comparing Clinical Guidelines).
